WALKING THE PAST...GLIMPING THE FUTURE

MARYBOROUGH-CARISBROOK WALK

24th MARCH 2024 – BOOK NOW

The Castlemaine-Maryborough Rail Trail Association (CMRT) invites you to walk the path of our future rail trail. Experience the rich history and natural beauty of Maryborough to Carisbrook.

This March, join us to walk approximately 7 kilometres along the historic rail line from Maryborough to Carisbrook on Dja Dja Wurrung country. Be welcomed into aspects of First Peoples culture, visit places of gold rush history and become immersed in stories of the region's past.

Stroll with us and hear experts from local historical societies and informed naturalists share their deep knowledge about the region's recent and ancient past.

We want to share with you our aspiration for a world class recreational trail from Maryborough to Castlemaine, anchored at its western end in a special landscape. Walk with us to uncover its hidden gems of rich cultural heritage and significant volcanic landscapes.

Don't miss this rare opportunity to walk the line, explore the region's stories and have a hearty lunch - provided by Carisbrook Lions - with friends and trail supporters.

Book now to secure your place on our historic walk from Maryborough to Carisbrook via the url or by scanning the QR Code.

<https://events.humanitix.com/walking-the-past-glimping-the-future-y7svr3m4>

Date and Time: Sunday 24 March 10.00am – 1.30pm

Included: expert talks, guided walk, hearty lunch **Cost:** \$15 + online booking fee

Meeting Point: Dellavedova Fertilisers 110 Burns Street, Maryborough (across the railway line, plenty of parking, shuttle buses will return you at the conclusion of lunch)

Enquiries or Questions: Call 0401 107 857

We'd like to thank the following organisations without whom this event wouldn't be possible: Central Goldfields Shire Council, Dja Dja Wurrung Group, Carisbrook Lions Club, Maryborough Midland Historical Society, Maryborough Field Naturalists' Club, Carisbrook Historical Society

CMRT is a group of dedicated volunteers from the length and breadth of the proposed trail, all working to bring a world-class, 55 km trail connecting Maryborough and Castlemaine along the disused rail line. They rely on community support to make their dream a reality.
